

Menu card Nutrition & allergen information booklet of Costa Coffee Products

An average active adult requires 2,000 kcal energy per day, However, Calories needs may vary

All information given in compliance to FSSAI labelling & display regulation

Allergen Advice – Costa Coffee products contains ingredients containing Gluten, Soya, Sesame, Nuts, Sulphites, Egg and Milk & Milk Products.

All these products are analysed at FSSAI approved, NABL accredited and ISO 17025 certified laboratories.

All values have been rounded off to the nearest decimal. Above values are based on per serving or portion size served in the stores. Substitutions of ingredients may alter nutritional values. Although this data is based on standard portion product guidelines, variations can be expected due to seasonal influences, minor differences in product assembly per restaurant and other factors. certain locations may at times offer test products, limited-time offerings or other regional menu choices not listed here.

Product data is based on current formulations as of the date of posting. If you have any questions about Costa Coffee and nutrition or are particularly sensitive to specific ingredients or foods, please contact us.
